FULTON, a preacher of some Christian of the southern ruling and the whole nation. The

Davis, on their way to Libby, they sang:

"we'll hang Jeff Davision a sour appletres.

As we so marrising on."

They believed he would be hung.
They did not believe that all of the conspirators against our government would be hung.
But they expected that in some central place Jefferson Davis would be tried, in accordance with forms of law! that in that the first place Jefferson Davis would be tried, in accordance with forms of law! that the that trial the history of the rebellion would be given, the crimes be the Citatlantic Derby? The Memphis track has been leased to

The Magnelia association, of Mobile, Alabams, was represented by the following gentlemen: Thomas H. Taylor, Wm. Cotterell, Lewis E. Smith and Wm. H. Williamson.

The Buckeye club, of Cincinnati, Obio, was represented by Mr. R. A. Alexan-was repre

Davia in faier to prove that we were all guilty of tree on and to make tressen offices. The Northern press and pulpit have been busilty suggest in indectrination of the people of the North with the deat that every Tules sobiler killed was virtually murdered, and that his death should some bow-be avenued.

Now, there have been many attempts at revolution in other countries, and many civil wars; but other nations have not regarded the unsuccessful party as meetings to suit their convenience:

Ings, both spring and fall, the most difficults and fall of South Memphis Lodge of the Chirch Monday in September; and the Court and all such offences are offences against the peace and digitity of the Stata, triable in Mercaphic and digitity of the Stat meetings to suit their convenience; House of Representatives, upon the and further suggest the spring campaign riot here is a libel on the citizens, murderers. If they had, the horrors of war never would have been diminished. Such a creed justifies all imaginable atrodities. We do not believe that there is a worse man living than William H. Saward; and we have reason sough for that belief in his late official commendation of Admiral Danicians for was moved and seconded, that the above clauses be referred to a committee, comparity of the second in the citizens, based on testimony which the authors of it knew was not worthy of credit; much studied in the second Monday in May; at Lexing too, the second Monday in May; at Louisville, the third Monday in May; at Louisville the second Monday

BEFA RECONSTRUCTION journal in recognized as gentlemen. War is no which was carried, and the following tonger the conflict of savages. The gentlemen appointed: Mr. Viley, for the Appeal ought to comine itself Royalists of la Vendee killed wast num ters of Republicans in battle; but when they were sonquered, Republican France they were sonquered, Republican France Ford, for the Laclede. they were sonquered, Republican France did not pretend that they had murdered its soldiers. What would the world have esid, what would the people of the United States have said, if Austria had attempted so to treat the revolutionists of Hungary? Do we regard the Fenian invaders of Canada, the Fenian revolutionists lately put down in Ireland, as the murderers of the men see and Arkansas. And if the States

rears, and then talk about hanging their chiefs as rebels and traitors! Bah! the proposition is monstrous. General was decided that the age of all horses SMITH has lately said, on this point, all the exception of the Magnolia and Meshall date from the first of January, with the exception of the Magnolia and Meshall date from the instruction, where they shall date from the exception of the Magnolia and Meshall date from the exception of the Magnolia and Meshall date from the first of January, with the exception of the Magnolia and Meshall date from the first of January, with the exception of the Magnolia and Meshall date from the first of January, with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the first of January with the exception of the Magnolia and Meshall date from the firs from first of May. The next question that came up was that of weights, which was ununimously decided as follows:
Two year olds, eighty-six pounds; three vest olds, ninety pounds; four year olds, 110 pounds; four year olds, 110 pounds; for those men any more cruel punishment than to be instrumental in punishment than to be instrumental ree pounds allowed mares and geld- persuading their States to take that fatal ourse, and set sail into the dark future The next question was that of time on the "perfidious bark" of reconstruc- OPPOSITE GREENLAW OPERA ROUSE.
